

H. William Gottschalk, D.D.S.
Board Certified Dentist Anesthesiologist

Summary of qualifications

I am trained as an advanced general dentist and a dentist anesthesiologist. I participated in a practice that focused on the treatment of patients that need or require sedation or general anesthesia for dentistry. My interest lies in the areas of dental implantology, reconstructive bone grafting, endodontics, and pediatric anesthesiology. I am presently in the private practice of anesthesiology for dentistry with an emphasis on treating special needs, medically compromised, pediatric, and complex dentistry patients.
